Simply order your quality blanks from SanMar and have them shipped to us via the PSST shipping method.

## ABOUT THE PROGRAM:

SanMar's Pack Separately. Ship Together (PSST) program is a collaboration between contract decorators and SanMar to offer high levels of service to Promotional Product Distributors (PPDs). Each day, SanMar consolidates multiple orders heading to the same address, eliminating the need for the PPDs to bundle orders and making it easier for contract decorator to know what's coming and when.
